

Carlton Primary School

Information for parents on our homework policy

Each child has a Home Learning Journal (a white reading log and homework book).

Inside the cover, you will find your child's logins for Mathletics, Oxford Owl, Languageut (French) and Google Classroom. This book must come to school each day in the child's PACT folder.

Homework is daily reading, and weekly spellings, number bonds and tables—

children are tested weekly for spellings and number bonds and tables.

Each child receives literacy homework books—

they are to be completed when the learning has been carried out in school—it is a practice tool.

Home learning project: half termly—this is compulsory, high quality expectations with a deadline for handing it in. All home learning projects are available on our website:

www.carlton.camden.sch.uk

YEAR 4

- There is a half termly home learning project.
- We set spellings weekly which we test the children on once a week on Friday- you will find them stuck in the white reading log and homework book.
- Every two weeks, we select pages from the literacy homework books - the children are given a sheet with the information which they can stick in the white reading log and homework book.
- Every two weeks, we have the maths skills the children will be working on (e.g. fractions). Children should practice this skill on the Mathletics online programme, using their login.
- The children should change their reading books when they have finished. Children are expected to read each night 20 minutes and write in the home reader books which pages they have read and any information you think we may need to know. Our reading prompt leaflets will help you to support your child's daily reading.
- Additional homework may be given when necessary (e.g. Black History Month, additional learning).
