

Knowledge:

Find out about different sea creatures that live under the sea.

Can you write some sentences about your chosen creature.

Question ideas:

Where do they live?

What do they eat?

How do they eat their food?

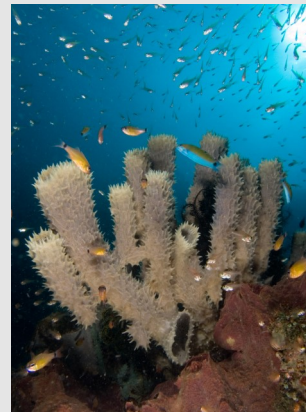

What do they look like?

How do they move around the water?

Carlton School

Home Learning Project, half term we are learning about 'Under the Sea'.

Deadline for Home Learning is
Friday 25th January

Creative:

Design and make a house for the sea creature of your choice.

What material will you use and why?

What other animals will be in your creation?

What colour will it be?

Does your animal live with others?
