

Carlton Primary and Nursery Newsletter

Week beginning: 15th May 2017 | Issue 59

DEAR PARENTS & CARERS,

Welcome to our latest newsletter. You will find out about upcoming events and important information. I would like to take this opportunity to congratulate the Year 6 children for their mature approach to the SATs and their hard work throughout the half term. The following half term has many exciting trips and events in store and the Nursery playground has been doted with a new water works area. I hope everyone is enjoying the Summer Term.

NEW CHAIR OF GOVERNORS

I would like to introduce Jess Wren as the new Chair of Governors. Jess has been a governor at Carlton since 2014 and has been very involved in the school. I know she will make a great impact as Chair. I would also like to take this opportunity to thank our previous chair- Kate Jarman who recently stepped down. Kate has been Chair of Governors since 2012 and was very dedicated in her role. We wish her all the best in the future!

Message from Jess Wren: "I'm really excited to be the new Chair of Governors for Carlton and look forward to supporting the school in the future. Carlton is such a fantastic school community and it's been a pleasure meeting the children, parents and staff that I have met so far. I hope to meet many more of you soon."

CROSS COUNTRY – 24TH MAY

Children will be running the Cross Country Run to raise money for AgeUK on Thursday 24th May. Please remember to fill out the fundraising sheet and help us raise money. Also, look out for a letter with the times if you would like to join your children's class.

SATS WEEK

Well done to Year 6 for all their hard work in preparation for the SATS and for last week's exams. We are very proud of the resilience they have demonstrated from the beginning and throughout the week!

YEAR 5 SHOEBOXES

In Year 5, children have been putting together shoe boxes with dry goods and nice things for British soldiers who are away from home protecting lives.

If you would like to participate, please drop off any small items that will keep to the office and they will be passed on to Year 5.

Camden schools

are facing huge cuts that will
damage our schools and the
education of our children

Our schools face a cut of

● **£18,176,721** by 2019

That's a cut of

● **£952** per child

That's equivalent to

● **416** teachers or

● **800** support staff

Already we are seeing the following across the country:

- cuts to support staff
- cuts to extra-curricular activities
- increased charging for music lessons etc
- lack of funding for resources
- increased class sizes
- narrowing of the curriculum

Please go to www.schoolcuts.org.uk to find out how much money your child's school is losing, and visit www.fairfundingforallschools.org to join up with other parents campaigning to stop these cuts
